Why members are registering for the FREE £5,000 Accidental Death Cover...

“ Because the policy is free, and I have worked for the NHS for many years. It is nice to know that there will be some financial help for my family if I should be fatally injured from an accident.”

“ As a parent it's really important to think about what could help my daughter if I die unexpectedly.”

“ It's free and the money would be useful to pay for my funeral. One less thing to worry about. The last thing you want is your partner getting into unnecessary debt by your passing.”
