Dear member,

Christmas may well be a bit different this year, most of us are likely to be spending less on gifts for instance. So we're here to help lighten the load too. This winter we're offering one lucky UNISON member a chance to win £500 towards the cost of Christmas.

We are living in uncertain times and recognise that day to day lives have changed for all of us. One of these is the way in which we pay for our everyday shopping as many stores are insisting on cashless payments and some even refusing cash payments. Research by consumer champions Which? shows of those who didn't have an alternative payment method, found 38% were left empty-handed when trying to pay for groceries¹.

For those without credit or debit cards, a prepaid card is an option around this. As one of UNISON Living's approved providers, UNISON Prepaid Plus cashback card is free to apply for and there are no credit checks*.

You can only spend what you have loaded onto the card, which means there is no risk of overspending and incurring overdraft fees making it a useful budgeting tool.

In addition to helping you budget, with UNISON Prepaid card you can earn up to 6% cashback at over 40 stores, including Sainsbury's, ASDA, Primark and many more^o.

What is a UNISON Prepaid Plus cashback card?

- Not a debit or a credit card – load it with money before you shop rather than paying for it afterwards, you can only spend what you load
- Contactless payment card that you can use online or in stores, anywhere you see the Visa logo
- Save money on your everyday shopping when you can earn 2.5% - 6% cashback at over 40 stores and retailers
- Receive free £10 load when you apply and top up your card
